Please refer to the appropriate Guidelines, Townhome or Detached Home, to find out what details are needed to ensure that your application is not denied due to lack of information. Among others those details include detailed drawings, description of materials, color photographs, Fairfax County approved plans or permit (if appropriate), and a plat/plan showing change/addition in relation to your lot and existing structures. Please include a photo of the way it looks currently and a rendering or illustration (from a brochure) of the projected way it will look when finished. NOTE: A copy of this application will be added to your lot file
